RUSSIAN FOR MILITARY

√ Cadets √ Sergeants √ Military officers
√ Diplomatic staff √ Civil servants √ Government employees

As a result of an increased demand for effective military communication in Russian, Durbe RLA offers an exclusive program – „*Russian for Military*”. The course is both stimulating and wide-ranging in its content, with focus specifically on meeting the language and communication needs of military personel (cadets, sergeants, military officers, diplomatic staff, civil servants, government employees etc).

The school developed a special 5 module course taught on Individual or Closed Group basis and it's designed to provide you with confidence in your ability to convey message in Russian, to broader vocabulary for discussing military and peacekeeping issues, to enable military persons to function effectively in a variety of target situations including better understanding of Russian culture, traditions and history. Each module provides a balance of vocabulary, pronunciation and specific purpose skills.

MODULES “RUSSIAN FOR MILITARY”
